REMARKS / ARGUMENTS

This amendment is submitted in full response to the outstanding Notice of Non-Complaint Amendment dated November 2, 2007.

Submitted with this amendment are three (3) replacement sheets of formal drawings comprising Figures 1 through 6 which, as set forth above, are to be substituted for the two sheets of original drawings, as filed.

The undersigned attorney apologizes for the inadvertent failure to file the formal drawings earlier, in response to the then outstanding Office Action of December 11, 2006. Applicant recognizes that on page 2 of the then outstanding Office Action, the Examiner required that new, corrected drawings to be filed in compliance with 37 CFR 1.121(d).

Accordingly, the three sheets of formal drawings submitted herewith are believed to clearly comply with 37 CFR 1.121(d) and overcome all of the outstanding objections to Figures 1 through 6 of the drawings as originally filed. In addition, a minor change has been made to Figure 6 of the drawings in order to overcome any inconsistencies and informalities contained therein as originally filed. Care was taken not to include new subject

matter in the amending and formalizing of the submitted drawings.

Based on the above amendments and remarks reconsideration of this application is hereby requested. It is believed that this application is now in condition for allowance and such action is respectfully requested.
